The only exception in the
Recreation category is the Yamaha
FX Cruiser HO, as this model has a
larger, 1812cc (non-
supercharged) engine. Thanks to
the bigger displacement, you can
expect better performance (180
HP) and higher fuel consumption
as well on this model. If you ride it
hard, be prepared for burning
around 13-14 gallons of gas every
hour! Luxury and Performance.
