Jennifer Vaughan Jones' biography 'A Poet's Daring Life' is an account of the eventful and troubled life of modernist poet Anna Wickham (1883-1947). Born in England and brought up mostly in Australia by a forceful and mercurial, but very resourceful mother, Anna left Australia and arrived in London in 1904 where she took singing lessons and later attended the Royal Academy of Dramatic Art on a scholarship.

Brave, energetic, intensely patriotic, Stephen Decatur is America's first great naval hero after John Paul Jones. His short and dramatic life is a story of triumph and tragedy told by the noted historian and author of some twenty books, Spencer Tucker. Decatur's raid into Tripoli Harbor in 1804 to burn the Philadelphia, a prized U.S. warship captured when it ran aground during the Barbary Wars, earned him international fame. An admiring Horatio Nelson described the feat as "the most bold and daring act of the age." Explaining the tremendous impact Decatur's action had on the early U.S. Navy, the author

notes that it set a standard of audacity and courage for generations of future naval officers. At the age of twenty-five, Decatur was promoted to captain, becoming the youngest naval officer ever to attain that rank in the U.S. Navy. The book fully examines Decatur's astonishing achievements as it chronicles his rapid rise in the Navy, including his command of the Constitution and the United States, during the War of 1812, when he captured the British frigate Macedonian off the Azores. The book also recounts the cruise that many call his greatest triumph: Decatur sailed into the Mediterranean with a nine-ship American squadron to punish the dey of Algiers for taking American merchant

Shipping, securing peace with Algiers and keeping other Barbary states quiescent. Lionized by a grateful American public upon his return, Decatur offered a toast at a reception in his honor that is now legendary, "Our country! In her intercourse with foreign nations, may she always be in the right; but our country, right or wrong!" In describing Decatur's life, the author also examines Decatur's relationship with James Barron, a Navy captain who fatally shot Decatur during a 1820 duel.

Eve Adams was a rebel. Born Chawa Zloczewer into a Jewish family in Poland, Adams emigrated to the United States in 1912. The young woman

befriended anarchists, sold radical publications, took a new name, and ran lesbian-and-gay-friendly speakeasies in Chicago and New York. Then, in 1925, Adams risked all to write and publish a book titled Lesbian Love. In a repressive era, long before today's gay liberation movement, when American women had just gained the right to vote, Adams's bold activism caught the attention of the young J. Edgar Hoover and the US Bureau of Investigation, leading to her surveillance and arrest. In a case that pitted immigration officials, the New York City police, and a biased informer against her, Adams was convicted of publishing an obscene book and of attempted sex with a

police woman sent to entrap her. Adams was jailed and then deported back to Europe, and ultimately murdered by Nazis in Auschwitz. In *Sex Rebel: The Daring Life and Deadly Times of Eve Adams*, acclaimed historian Jonathan Ned Katz has recovered the extraordinary story of an early, daring activist. Drawing on startling evidence, carefully distinguishing fact from fiction, Katz presents the first biography of Adams, and the publisher reprints the long-lost text of Adams's rare, unique book *Lesbian Love*.

Based on new documents and family correspondence, and including twenty complete poems, this marvelous biography chronicles the life of British poet Anna Wickham.

“How long it’s taken for these two mad, bad and dangerous writers to get together!”—Alan Cheuse, San Francisco Chronicle
Acclaimed biographer of James Joyce, Edna O’Brien has written a “jaunty” (The New Yorker) biography that suits her fiery and charismatic subject. She follows Byron from the dissipations of

Regency London to the wilds of Albania and the Socratic pleasures of Greece and Turkey, culminating in his meteoric rise to fame at the age of twenty-four. With “a novelist’s understanding of tempo and characterization” (Miami Herald), O’Brien captures the spirit of the man and creates an indelible portrait that explodes the Romantic myth. Byron, as brilliantly rendered by O’Brien, is the poet as rebel, imaginative and lawless, and defiantly immortal.

Artist Kate Freeman Clark (1875-1957) left behind over one thousand paintings now stored at a gallery bearing her name in her hometown of Holly Springs, Mississippi. But it was not until

after her death in 1957 at the age of eighty-one that citizens even discovered that she was a painter of considerable stature. In her will, Clark left the city her family home, her paintings stored at a warehouse in New York for over forty years, and money to build a gallery, much to the surprise of the Holly Springs community. As a young woman, Clark studied art in New York and took classes with some of the greatest American artists of the day. From the start Clark approached the study of art with discipline and tenacity. She learned from William Merritt Chase when he opened his own school in 1895. For six consecutive summers at his Shinnecock Summer School of Art in Long Island, she mastered the

The book prints, for the first time, excerpts from Clark's delightful journal of the artist's experience at Chase's school, giving readers firsthand reporting of an artist-led school in the early twentieth century. Clark returned to Holly Springs in 1923. Mysteriously, sadly, she never resumed painting and lived the last years of her life in quietude. The Artist's Sketch shines a light on Clark, finally bringing her out of obscurity. This book also introduces Clark's art to a new generation of readers and highlights current projects and important work being done in Holly Springs by the Kate
