These are the tales that saved the life of Shahrazad, whose husband, the king, executed each of his wives after a single night of marriage. Beginning an enchanting story each evening, Shahrazad always withheld the ending: a thousand and one nights later, her life was spared forever. Full of mischief, valor, ribaldry, and romance, The Arabian Nights has enthralled readers for centuries. This volume contains the most famous and representative stories from Sir Richard F. Burton's multi volume translation, and, unlike many editions, is complete unexpurgated. These tales, including 'Aladdin or the Wonderful Lamp', 'Sinbad the Sailor', and 'Ali Baba and the Forty Thieves', have entered into the popular imagination. This edition of The Arabian Nights brings together the magical translation of Sir Richard Burton and the art of William Harvey. He was Thomas Bewick's most famous pupil and his evocative black and white woodcuts are complemented by the delightful engravings of the renowned brothers Thomas Dalziel and Edward Dalziel who were strongly influenced by Sir John Gilbert, and who regarded their illustrations for The Arabian Nights as their finest work.

Classic stories and dazzling illustrations of princesses, kings, sailors, and genies come to life in a stunning retelling of the Arabian folk tales from One Thousand and One Nights and other collections, including those of Aladdin, Sinbad the Sailor, and Ali Baba and the Forty Thieves. The magical storytelling of award-winning author Donna Jo Napoli dramatizes these timeless tales and ignites children's imaginations.

Including "Ali Baba and the Forty Thieves," and "Aladdin and the Magic Lamp," this modern edition of the classic tales weaves a beautiful tapestry of stories that are filled with humorous and valuable lessons and magical adventures. Reissue.

The Arab world's greatest folk stories re-imagined by the acclaimed Lebanese novelist Hanan al-Shaykh, published to coincide with the world tour of a magnificent musical and theatrical production directed by Tim Supple
