Korean Grammar: The Complete Guide to Speaking Korean Naturally covers all the basic sentence structures, verbal forms and idiomatic expressions taught in the first two years of a college level Korean language course. It is specifically designed for the following learners: Beginning or intermediate level Korean language students Self-study adult learners or those studying with a tutor Heritage learners who wish to speak Korean more correctly Anyone who wants to review previously acquired Korean Each chapter provides clear grammatical explanations with charts and examples for each construction, showing how it is used in various contexts. All Korean words and sentences are given in both Korean Hangeul script and Romanized form, with English translations to assist beginning learners. Fundamental concepts like honorifics, formal and informal speech styles, verb endings and complex sentence constructions are all presented in straightforward terms to make these constructions accessible to learners at every level. Exercises at the end of each chapter reinforce the learning process.

Do you want your Korean language skills to shine? Then Essential Korean Grammar offers exactly what you need to finally understand and express which grammar option is best. Having a solid understanding of grammar is essential to effectively learn Korean. Essential Korean Grammar gives you excellent examples that lay out the best grammar options for communicating, and when to use each option. The grammar items are cleverly rated so you can determine what's most useful for you to study, based on your Korean knowledge level and your plans. There is a star rating system, from 5 stars ("critical"; with these under your belt you can communicate almost everything you need to say) to 1 star (don't worry about this unless there's some reason you need to know it—for example, the TOPIK exam). Essential Korean Grammar is a toolbox to help you form correct and natural-sounding sentences, and determine which grammar you need for reading or writing Korean. It details: How to combine grammar points with each type of word. How it is similar to and different from related grammar points. Commonly used expressions. Things for learners to watch out for. The example sentences for each grammar point use simple vocabulary that even a beginner will know. A perfect supplement to any Korean language textbook!

Many Korean learners say that the Korean language is difficult to learn. It is because unlike English, there are many complex endings and particles in the Korean language. For this reason, the existing Korean textbooks for foreigners have mainly covered a large number of "Grammars," which may not be used often in real conversation. The way you "have been learning" Korean : Lengthy & Boring, Impractical, Grammar & Text-based The way you "will learn" Korean with this book : Simple & Easy, Practical, Conversational-based Many students have often asked us if there is a book which specifically focuses on real conversational grammar because they put a lot of effort into learning Korean, but they still can't even speak a word. The problem was not them, but learning materials and methods because learning a language is not about memorizing a large number of grammars. It is about how to use them in real conversation. We genuinely hope that through this book, many Korean learners who have difficulty learning Korean can speak Korean with confidence.
