In Edited by Men and Masculinities in Contemporary China Edited by, Geng Song and Derek Hird offer an account of Chinese masculinities in media discourse and everyday life, covering masculinities on television, in lifestyle magazines, in cyberspace, at work, at leisure, and at home.

From Newbery Medal-winning author Betsy Byars comes a sweet, entertaining story that will touch the heart of dog lovers at any age. A tornado appears in the distance, and the family quickly gathers into the storm cellar. The storm rages outside, but Pete, the farmhand, knows this is the perfect time to tell his stories about a dog named Tornado. Blown into their lives by a twister when Pete was a boy, Tornado was no ordinary dog—he played card tricks, saved a turtle’s life, and had a rivalry with the family cat. Forgetting their fear, the family hangs on every word of Pete’s stories—both happy and sad—of this remarkable dog.

Wonderful Word Search is a small but chunky book filled with over 300 puzzles to complete.

Miss Mingo helps all of the animal students in her class overcome their shyness on the first day of school by encouraging them to share something special about themselves, in an informative book filled with facts about frogs, ants, snakes, crickets, and a host of other familiar animals.
