I totally agree about how
mental health professionals
dont really ‘get it’ about
narcissistic abuse or NPDs.
They rarely end up in
services and if they do, any
therapy would just
ultimately result in them
being more accomplished at

It is all well and good to read stories of others who have been through it (and that is a great first step, knowing that you are not alone), but once you start making sense of the nonsensical world they create around you, you want to know more about why they do what they do. If you are an empath, you want to
