This book has the pictures of all the positions of performing the prayer.There has been an urgent need for a simple and concise guide which teaches the basics of prayer for Muslims.This book has been designed for people who don't know how to pray yet or those who aren't sure whether they learned correctly or not. In this book you will learn the prayers by reading clear and simple descriptions of what to do.The 5 times 5 prayers rewards are equal to 50 prayers: ' Then fifty prayers were enjoined on me. I descended till I met Moses who asked me, 'What have you done?' I said, 'Fifty prayers have been enjoined on me.' He said, 'I know the people better than you, because I had the hardest experience to bring Bani Israel to obedience. Your followers cannot put up with such obligation. So, return to your Lord and request Him (to reduce the number of prayers).' I returned and requested Allah (for reduction) and He made it forty. I returned and (met Moses) and had a similar discussion, and then returned again to Allah for reduction and He made it thirty, then twenty, then ten, and then I came to Moses who repeated the same advice. Ultimately Allah reduced it to five. When I came to Moses again, he said, 'What have you done?' I said, 'Allah has made it five only.' He repeated the same advice but I said that I surrendered (to Allah's Final Order) " Allah's Apostle was addressed by Allah, "I have decreed My obligation and have reduced the burden on My slaves, and I shall reward a single good deed as if it were ten good deeds." - Sahih Al-Bukhari 4:429 The Prophet (PBUH) has said: "Whoever guides [another] to a good deed will get a reward similar to the one who performs it." Hadrat Abdullah Ibn Masud (may Allah be pleased with him) said that he enquired of the Prophet (may Allah's blessings and peace be upon him) what was the best deed in the sight of Allah. The Prophet (may Allah's blessings and peace be upon him) replied, "To say prescribed prayers at stated hours." I asked what was the next best. He said, "To be good to parents." I again asked what deed ranked next. He said, "To do Jihad struggle in the way of Allah." (Bukhari, Muslim)

Evil Eye, Jinn Possession, and Mental Health Issues raises awareness of the cultural considerations, religion and spirituality involved in the assessment of Muslim patients with mental health problems. The belief that Jinn spirits can cause mental illness in humans through affliction or possession is widely accepted among Muslims, meaning this belief is a crucial, but frequently overlooked, aspect of mental health problems with Muslim patients in psychiatric care. This book explores the nature of such beliefs, their relationship to mental health and the reasons for their importance in clinical practice. The book argues that it is vital to consider mental disorders as a multifactorial affair, in which spiritual, social, psychological and physical factors may all play a role. It suggests differential diagnostic skills may have an important part to play in offering help to those who believe their problems are caused by possession, and provides accessible literature on clinical issues and practice, interventions, management and evidence-based practice to help health workers achieve a better understanding of Muslim beliefs about possession and how to work with patients that hold such beliefs. Evil Eye, Jinn Possession, and Mental Health Issues is an essential manual for mental health professionals, social workers and psychologists. It should also be of interest to academics and students in the healthcare sciences.

There are two main causes of Infertility: Decreased Oxygen Utilization and Jinn (Demon). When the environment or body has too many Positive Ions, the result is Decreased Oxygen Utilization. Positive Ions are produced by the manmade atmosphere, and they increase the acidity and inflammation in the body. These Positive Ions can affect the body in numerous ways, including decreased fertility. Many times, medicine cannot solve the problem-what people must do is to expose themselves to the Negative Ions. Dr. Mira Bajirova, an Associate Professor, Obstetrician-Gynecologist, and In Vitro Fertilization Consultant from Paris, explores what this means to those suffering from Infertility. She also highlights how Evil Jinn-through Jinn Possession, Black Magic and Evil Eye-can lead to disastrous consequences including the infertility. Filled with insights from the Quran and medicine, this is an informative guide for anyone seeking to improve their health and expand their family.
