Autoethnography is a

Access Free Evocative Autoe

form of qualitative research in which an author uses self-reflection and writing to explore anecdotal and personal experience and connect this autobiographical story to wider cultural, political, and social meanings and understandings.

Autoethnography is a self-reflective form of

Access Free Evocative Autoe

writing used across
various disciplines such
as communication
studies, performance
studies, education,
English literature,
anthropology, social
work, sociology,
history, psychology,
religious studie
