Reading instruction that propels all students toward confident, independent reading of high quality grade level books across a diverse array of literature and informational genres.

Reading: Fountas and Pinnell Guided Reading ...

Guided reading is a teaching approach designed to help individual students learn how to process a variety of increasingly challenging texts with understanding and fluency. Guided reading occurs in a small-group context because the small group allows for interactions among readers that benefit them all. The teacher selects and introduces texts to readers, sometimes supports them while reading the text, engages the readers in a discussion, and makes
