A brief biography in verse about Harriet Tubman and her dedicated efforts to lead her fellow slaves to freedom.

The essential, " richly researched " biography of Harriet Tubman, revealing a complex woman who " led a remarkable life, one that her race, her sex, and her origins make all the more extraordinary " (The New York Times Book Review). Harriet Tubman is one of the giants of American history—a fearless visionary who led scores of her fellow slaves to freedom and battled courageously behind enemy lines during the Civil War. Now, in this magnificent biography, historian Kate Clifford Larson gives us a powerful, intimate, meticulously detailed portrait of Tubman and her times. Drawing from a trove of new documents and sources as well as extensive genealogical data, Larson presents Harriet Tubman as a complete human being—brilliant, shrewd, deeply religious, and passionate in her pursuit of freedom. A true American hero, Tubman was also a woman who loved, suffered, and sacrificed. Praise for Bound for the Promised Land "[Bound for the Promised Land] appropriately reads like fiction, for Tubman 's exploits required such intelligence, physical stamina and pure fearlessness that only a very few would have even contemplated the feats that she actually undertook. . . . Larson captures Tubman 's determination and seeming imperviousness to pain and suffering, coupled with an extraordinary selflessness and caring for others. " —The Seattle Times " Essential for those interested in Tubman and her causes. . . . Larson does an especially thorough job of . . . uncovering relevant documents, some of them long hidden by history and neglect. " —The Plain Dealer " Larson has captured Harriet Tubman 's clandestine nature. . . . reading Ms. Larson made me wonder if Tubman is not, in fact, the greatest spy this country has ever produced. " —The New York Sun

Bold, powerful paintings by a great African-American artist vividly capture the drama of Harriet Tubman's life-long struggle to free her people from slavery. Striking rhythmic verse conveys the urgency and danger of Harriet's work on the Underground Railroad. A New York Times Best Illustrated Book. Full color.

A New York Times Outstanding Book for young adult readers, this biography of the famed Underground Railroad abolitionist is a lesson in valor and justice. Born into slavery, Harriet Tubman knew the thirst for freedom. Inspired by rumors of an " underground railroad " that carried slaves to liberation, she dreamed of escaping the nightmarish existence of the Southern plantations and choosing a life of her own making. But after she finally did escape, Tubman made a decision born of profound courage and moral conviction: to go back and help those she ' d left behind. As an activist on the Underground Railroad, a series of safe houses running from South to North and eventually into Canada, Tubman delivered more than three hundred souls to freedom. She became an insidious threat to the Southern establishment—and a symbol of hope to slaves everywhere. In this " well-written and moving life of the ' Moses of her people ' ' (The Horn Book), an acclaimed author makes vivid and accessible the life of a national hero, soon to be immortalized on the twenty-dollar bill. This intimate portrait follows Tubman on her journey from bondage to freedom, from childhood to the frontlines of the abolition movement and even the Civil War. In addition to being named a New York Times Outstanding Book, Harriet Tubman: Conductor on the Underground Railroad was also selected as an American Library Association Notable Book.

Harriet Tubman is one of America 's most beloved historical figures, revered alongside luminaries including Abraham Lincoln and Frederick Douglass. Harriet Tubman: Myth, Memory, and History tells the fascinating story of Tubman 's life as an American icon. The distinguished historian Milton C. Sernett compares the larger-than-life symbolic Tubman with the actual " historical " Tubman. He does so not to diminish Tubman 's achievements but rather to explore the interplay of history and myth in our national consciousness. Analyzing how the Tubman icon has changed over time, Sernett shows that the various constructions of the " Black Moses " reveal as much about their creators as they do about Tubman herself. Three biographies of Harriet Tubman were published within months of each other in 2003–04; they were the first book-length studies of the " Queen of the Underground Railroad " to appear in almost sixty years. Sernett examines the accuracy and reception of these three books as well as two earlier biographies first published in 1869 and 1943. He finds that the three recent studies come closer to capturing the " real " Tubman than did the earlier two. Arguing that the mythical Tubman is most clearly enshrined in stories told to and written for children, Sernett scrutinizes visual and textual representations of " Aunt Harriet " in children 's literature. He looks at how Tubman has been portrayed in film, painting, music, and theater; in her Maryland birthplace; in Auburn, New York, where she lived out her final years; and in the naming of schools, streets, and other public venues. He also investigates how the legendary Tubman was embraced and represented by different groups during her lifetime and at her death in 1913. Ultimately, Sernett contends that Harriet Tubman may be America 's most malleable and resilient icon.

In The Assassin's Accomplice, historian Kate Clifford Larson tells the gripping story of Mary Surratt, a little-known participant in the plot to kill Abraham Lincoln, and the first woman ever to be executed by the federal government of the United States. Surratt, a Confederate sympathizer, ran the boarding house in Washington where the conspirators—including her rebel son, John Surratt—met to plan the assassination. When a military tribunal convicted her for her crimes and sentenced her to death, five of the nine commissioners petitioned President Andrew Johnson to show mercy on Surratt because of her sex and age. Unmoved, Johnson refused.Surratt, he said, "kept the nest that hatched the egg." Set against the backdrop of the Civil War, The Assassin's Accomplice tells the intricate story of the Lincoln conspiracy through the eyes of its only female participant. Based on long-lost interviews, confessions, and court testimony, the text explores how Mary's actions defied nineteenth-century norms of femininity, piety, and motherhood, leaving her vulnerable to deadly punishment historically reserved for men. A riveting narrative account of sex, espionage, and murder cloaked in the enchantments of Southern womanhood, The Assassin's Accomplice offers a fresh perspective on America's most famous murder.

"A biography of Harriet Tubman, the abolitionist leader who played a key role in helping enslaved people escape via the Underground Railroad."--Provided by publisher.

A narrative originally dictated to a journalist following the Civil War chronicles the experiences of a former slave who became an abolitionist
