Amazon.com: honda
pilot repair manual
2007 Honda Pilot LX I
owned my 2007 Honda
Pilot for 8 years. It was a
great SUV and didn't
give me any major
problems. At about 175K
miles the paint on the
hood and top began
fading then flaking. By
the time it hit 200K miles,
there was almost no paint
left on the hood and top.
