Kaeser-SK25-Manual
HPC's premium rotary screw compressors offer outstanding German engineering which has been researched and optimised over almost a century. They are highly efficient, industrial compressors designed for full load operation 24 hours per day 7 days per week, and specifically designed to be very durable and easy to service. Their Sigma air-ends are larger, slower turning allowing them to achieve ...

HPC-Rotary-Screw-Compressors | Compressed-Air-Centre
HPC. Stand alone compressor with sigma basic control. Discerning compressed air users expect maximum availability and efficiency even from smaller compressors. It will come as no surprise therefore that HPC's SK series rotary screw compressors go far beyond meeting these expectations. Not only do they deliver more compressed air for less power consumption, but they also combine ease of use and ...
