I am not the type of person that cheats on tests or anything but I cheated on a series of test for credit recovery. Here is what happen see they had this smart dude nicholas that was very good in algebra and I suck at math. So I use to sit by him and he ask me if he can do it. At first I told him no but than he said "No i want too" so I just let him do my work and he did like the whole thing.
