The Mind Thieves (Mind Readers, #2) by Lori Brighton

Mind Thieves is an enjoyable action-adventure book for young adults. It has much the feel of the Alex Ryder novels or the new Tomorrow People TV series. The writing is good, and Cameron, the central character, feels thoroughly believable. She has moods, gets angry, and does stupid things on occasions for entirely understandable reasons.

review 1: ****SPOILER FREE MY FELLOW BOOK**

WORMS**"The Mind Thieves", the second installment of a three part series by Lori Brighton. Taking place a few months after the first book. Aaron has done the unthinkable to Cameron. And the trust issues she had in the past, are ten times worse for her now. Being wanted for her mind reading abilities.

heart.” ? Lori Brighton, The Mind Thieves. 1 likes. Like “Yet, even though Maddox had practically lied to me, I couldn’t deny that I was attracted to him. Stupid hot guy, and his stupid hot body.”

The Mind Thieves Quotes by Lori Brighton

In The Mind Thieves, Brighton takes these feelings she’s engendered and makes them even more pervasive than they were in the first book, creating an atmosphere that exposes just how trapped Cameron is in the mind reader world – just how backed into a corner, how monitored she is. There’s also a profound sense of moral ambiguity that surrounds Cameron’s circumstances, which adds an extra level of interest.
