My First Book of Drawing by Kumon Publishing North America ...

Before this book my daughter would get frustrated while drawing because she wasn't seeing the object immediately. By putting the drawing as 4 steps, with each the steps being repeated until the 4th step, she realises now that it may not look like a fox, a hotdog, a boot, a bat, etc with the first few lines but you add detail to get what you want.

With easy-to-follow directions, children, ages three and up, can improve motor skills by learning how to draw animals and objects. My First I Can Draw book includes: Over 150 pages of drawing fun that encourages creativity and develops hand-eye coordination; Simple instructions that young children can follow by themselves

My First I Can Draw: Thomas Nelson: 9781783931248: Amazon ...

I've reviewed a couple of these books. We like them all but for us this one made the biggest impact as a first writing/ drawing tool. My son (just gone 3) was reluctant to do a lot of drawing, but did 19 pages if this book in one sitting. It's very colourful and a bit less obviously educational than some of the others so he thinks of it more as ...

My First Book Of Tracing (Kumon Workbooks): Kumon, Kumon ...

My First Book of Drawing helps children refine these skills by bringing them through all the steps from tracing simple lines and shapes to creating pictures of objects they are familiar with, such as an apple or a cat.

My First I Can Draw by Make Believe Ideas, Paperback ...

My First Book of Drawing helps children refine these skills by bringing them through all the steps from drawing simple lines and shapes to creating pictures of objects they are familiar with, such as an apple or a cat.

My First Book of Drawing by Make Believe Ideas, Paperback ...

Use this book to help your child develop fine motor control skills while learning how to draw simple objects-- Cover.

Find out how to draw lots of incredible things with this brilliant drawing book! From diggers to dinosaurs, pirates to princesses and whales to wizards, it's packed with fun and easy projects for kids to get stuck into. With lots of room to doodle, as well as handy tips to help develop your skills, this book the perfect introduction to drawing for little artists aged 5 and up.

Provides a wealth of activities and ideas. In this title, every child will find their own favourite pages, as there is something for everyone.

A workbook of colorful tracing exercises helps very young children practice basic pencil-control skills, sharing activities that graduate from straight vertical lines to more challenging curves, zigzags and diagonals. Original.

Grid drawings are centuries old method, used to teach students drawings simple to most complex ones. Even experts use them frequently to make their drawings near to perfect. Grid makes learning fun and easy and what better than tracing symmetrical drawings on grid, coloring them and than having a full page to try the shape all by yourself. Especially designed for Left Handed Kids, the book has the traced half on the left side for the comfort learning of little left handed cuties. The book is equipped with 25 simple designs based on spring theme to symmetrically trace on a grid and than practicing it all by yourself on the next page. Two of these designs are concept-ed and illustrated by my 9 years old Daughter Naisha Sachdeva (if you can guess them, please leave them in comments) Later you have 10 more designs to try yourself and master the art of drawing symmetrically on grids. You can color and beautify each page, cut and use them as gifts or decor. HAPPY LEARNING

Imagine you were born before the invention of drawing, more than thirty thousand years ago. You would live with your whole family in a cave and see woolly mammoths walk by! You might even see images of animals hidden in the shapes of clouds and rocks. You would want to share these pictures with your family, but wouldn't know how. Who would have made the world's first drawing? Would it have been you? In The First Drawing, Caldecott Medal winner Mordicai Gerstein imagines the discovery of drawing...and inspires the young dreamers and artists of today.

This book is meant to strengthen your child's fine motor skills. This workbook is a bind-up of three of our "Basic Skills" titles, including "My First Book of Cutting," "My Book of Pasting," and "My First Book of Drawing."

This fun and stylish book is full of exciting things to doodle. Add beaks and hats to penguins, dials and lights to robots, patterns and tongues to snakes, and lot's lot's more.

With wipe clean pages, reusable dry erase exercises, and adorable baby animals, My First Learn-to-Draw activity workbooks are the perfect gift for ages 3-6! Includes: 25 wipe-clean activities in a reusable and durable write and wipe format: each page can be drawn on again and again! One dry erase marker: for a ready-made drawing kit 4 simple steps: each drawing has four easy steps, perfect for ages 3-6 to follow Introducing a brand new series of My 1st Learn-to-Draw books that encourage 3-6 year-olds to learn how to draw. With clearly-illustrated steps and space for the child to create their own drawings, this wipe-clean learning activity workbook helps budding young artists perfect their skills. Made a mistake? No problem! Wipe it away, and use your wipe clean marker that is included to start over again. This Learn-to-Draw Baby Animals workbook features: 25 wipe-clean baby animal projects: perfect for kids who love puppies, kittens, chicks, and other cute baby animals Non-stop fun: specially designed reusable format provides endless hours of entertainment and screen-free time Vital skill building exercises: encourages creativity and confidence while helping children develop important motor skills and hand-eye coordination The perfect gift: makes a great holiday gift, Easter basket item, preschool or kindergarten craft, or birthday gift for girls and boys who have an interest in drawing!

Pete's a pretty cool cat who wants to go on awesome adventures with his friends. And now you can have fun with Pete just by grabbing a colored pencil and creating new things for Pete to do.
