busy with the creation of yet another success system, Power Plan 101. This latest system focuses on

Neurolinguistic Programming (NLP), which in William's own words is "the systematic study of how people behave and what motivates them".

Here he expounds on how people-just about everyone-can take back complete control over their lives. He elaborates on the techniques all of us can use to overcome our outside environment so that it doesn't have any influence on how we feel internally. The new technique is based on his own life experiences and the valuable lessons he learned from them. Power Plan 101 introduces everyone to the method Williams has personally used to reach his goal and plan in life, which is to be happy.

According to Homoeopathy, the disturbance in Vital force (Prana-Qi-Ei Vital-Cosmic Energy) is the cause of dis-ease and is influenced by the mind and external factors. Most severe disease may be produced by sufficient disturbance of the vital force through the imagination (mind) and also cured by the same means. According to Allopathy, Stress is the cause of
