Science is one of those subjects that can scare many a homeschool mom. So many moms say: I can't homeschool high school because I can't do high school science. I can't homeschool because I can't give my kids the full science education they need. I can't do science

Where To Download

because I hate
science. I stink at
science. I never got it.

*An Effective & Easy
Homeschool Science
Curriculum You'll ...*

Pour some full fat milk
into a saucer and add
some drops of food
coloring in different
places around the
milk. Pour a drop of
