Why They Buy Book by Cheri Tree
Codebreaker ...

The thesis behind this book is that by making the process of shopping easier and more desirable, and the choices clearer, the consumer will buy more. That's very similar to the observation that Taylor made about manual labor. Make it simpler and easier, and more work will get done. The methods are remarkably similar.

Not every deal is right for you. That's why we look at more networks, phones and deals than anyone else to find the one that is. This means you'll have all the information you need to choose the right phone, on the network that gives you the best signal, with the right amount of data, both now and throughout your contract. And if you happen upon a cheaper deal elsewhere, we'll even match it and ...
