POTENTIAL LINE UP. Edinson Cavani could be handed his first Manchester United start when the club face Istanbul Basaksehir today. Ole Gunnar Solskjaer is set to make a number of changes from the ...

There is always a man around the corner. Church trustee James Black should know--he's usually that man, carrying on adulterous affairs and sleeping with one conquest after another. But when he suddenly finds himself truly in love, the other women in his church have a thing or two to say about it--including his daughter, Jamie. Jamie has every intention of dismantling the relationship--until she discovers a mystery woman has been secretly calling her lover, Louis. Meanwhile, James's son, Darnel, spirals out of control after he catches his fiancée cheating. James knows he's to blame for the turmoil that surrounds him and his loved ones. Now he'll have to find a way to bring peace to their lives. But he can only do it by facing some hard truths about himself and changing his scandalous ways. "A charming tale. . ." --Essence® "Twisty and entertaining. . . gives fans what they want. . ." --Publishers Weekly "This family's page-turning drama keeps readers in suspense until the very last page." --Upscale Magazine

So you couldn't get a hold of him the other day? He's told you more than a few times that he's out with his male friends you seldom see, or know? Maybe, he stayed out hours after everyplace in town had closed? Or perhaps he's displayed some other behavior that had you suspicious of his real whereabouts. Well, if you combine these seemingly minor discrepancies with other actions in a relationship, then possibly your man is up to no good! He could be having an affair right under your nose. It doesn't matter if you've been with him for three weeks or thirty years. There are men in our society who simply refuse to be faithful! It's like they just have to be like a dog! They will attempt to use all kinds of tactics, and lies, to keep you thrown off of their casual encounters. In a nut shell, they don't want you to ever discover that they are up to no good. After all, they did use whatever skills they possessed to land you in their life. These men want to have their cake, and eat it too. What has it really gotten you? If you're anything like most women who have gone through being with an unfaithful man, then it's probably consisted of countless days of headaches, heartaches, and a bunch of unnecessary drama in your life. Now, here is the chance to know when your man is up to no good! This book, written by a man who cares, and has over 25 years of experience with relationships, will shed more light to every woman's eyes to particular behaviors to be aware of from the man who is in your life, or attempting to be in your pants. And it will share specific characteristics to completely avoid from the very beginning. "How to know when your man is up to no good" will have you paying much more attention to small details that you once ignored. In the end, if you do it right, you'll have much more satisfaction in your personal life. A must own for every woman on the planet!

"This is a practical manual of everything our church did," says author Molly Phinney Baskette, "to reverse our death spiral and become the healthy, stable, spirited and robust community it is today evident in the large percentage of children and young adults in our church, and a sixfold increase in pledged giving in the last decade." Baskette, pastor of First Church Somerville UCC in the Boston area, strongly believes her church's strategies will work for any church, in any setting, regardless of denomination, demographics, and political landscape. Here, in her new book, Real Good Church: How Our Church Came Back from the Dead, and Yours Can, Too, she shares everything her church did, addressing topics such as: outreach and growth strategies, finances and giving, creative worship, including personal testimony and corporate prayer, church conflict and change, anxiety and humor, and much more.

Guides both pastors and members to recognize key characteristics of a healthy church and then challenge each person to do his or her part in developing those characteristics in the local church body.

A history of the Pilgrim settlement of New England challenges popular misconceptions, discussing such topics as the diseases of European origin suffered by the Wampanoag tribe, the fragile working relationship between the Pilgrims and their Native American neighbors, and the devastating impact of the King Philip's War. By the author of Sea of Glory. 450,000 first printing.

"An influential podcaster and thought leader provides time, energy, and priority management tactics to help you crush it at work and thrive at home"--

A free ebook version of this title is available through Luminos, University of California Press's Open Access publishing program for monographs. Visit [www.luminosoa.org](http://www.luminosoa.org) to learn more. In the 1990s, Los Angeles was home to numerous radical social and environmental eruptions. In the face of several major earthquakes and floods, riots and economic insecurity, police brutality and mass incarceration, some young black Angelenos turned to holy hip hop—a movement merging Christianity and hip hop culture—to “save” themselves and the city. Converting street corners to open-air churches and gangsta rap beats into anthems of praise, holy hip hoppers used gospel rap to navigate complicated social and spiritual realities and to transform the Southland’s fractured terrains into musical Zions. Armed with beats, rhymes, and bibles, they journeyed through black Lutheran congregations, prison ministries, African churches, reggae dancehalls, hip hop clubs, Nation of Islam meetings, and Black Lives Matter marches. Zanfagna’s fascinating ethnography provides a contemporary and unique view of black LA, offering a much-needed perspective on how music and religion intertwine in people’s everyday experiences.

Adapted from the New York Times bestseller Mayflower! After a dangerous journey across the Atlantic, the Mayflower’s passengers were saved from certain destruction with the help of the Natives of the Plymouth region. For fifty years a fragile peace was maintained as Pilgrims and Native Americans learned to work together. But when that trust was broken by the next generation of leaders, a conflict erupted that nearly wiped out Pilgrims and Natives alike. Adapted from the New York Times bestseller Mayflower specifically for younger readers, this edition includes additional maps, artwork, and archival photos.

What is the way forward for the church? Tragically, in recent years, Christians have gotten used to revelations of abuses of many kinds in our most respected churches—from Willow Creek to Harvest, from Southern Baptist pastors to Sovereign Grace churches. Respected author and theologian Scot McKnight and former Willow Creek member Laura Barringer wrote this book to paint a pathway forward for the church. We need a better way. The sad truth is that churches of all shapes and sizes are susceptible to abuses of power, sexual abuse, and spiritual abuse. Abuses occur most frequently when Christians neglect to create a culture that resists abuse and promotes healing, safety, and spiritual growth. How do we keep these devastating events from repeating themselves? We need a map to get us from where we are today to where we ought to be as the body of Christ. That map is in a mysterious and beautiful little Hebrew word in Scripture that we translate “good,” the word tov. In this book, McKnight and Barringer explore the concept of tov—unpacking its richness and how it can help Christians and churches rise up to fulfill their true calling as imitators of Jesus.
