and understand the mountains of information they receive, and express themselves clearly and effectively? In this lively and practical book, 20-year teaching veteran Erik Palmer presents an approach aligned to the six Common Core anchor standards for speaking and listening but focused on preparing students for 21st century communication inside and beyond the classroom. Here, you'll get concrete guidance for teaching and assessing * Collaborative discussion * Listening and media literacy * Questioning and reasoning * Speech presentation * Effective multimedia use * Adapting speech to different content and tasks With due respect to reading and writing, we do most of our communicating--in the classroom and in life--through listening and speaking. Filled with examples and specific activities targeted to variety of subjects and grade levels, this book is an essential resource for all teachers interested in helping students acquire core skills that cross the content areas and support long-term success.

Unlike general definitions and concepts of mindfulness, Five Core Skills describes in clear language a skill-based and integrated practice you can use right away to reduce stress, minimize suffering and enhance life. With the insights, exercises and meditations in Part One, all the resources are there to experience the peace of living more mindfully. In Part Two, author Terry Fralich draws on his 35 years of experience with personal essays about mindfulness in the context of nature, relationships, sex and service ... sharing the magic and miracles fully revealed with mindfulness practice over time. Reviews: "Masterful blend of stories, reflection, practices and neuroscience." ~ Donald Altman, author of One-Minute Mindfulness, The Mindfulness Code, The Joy Compass, Living Kindness, Art of the Inner Meal, and 12 Weeks to Mindful Eating
